Gentlemen:

The Agency is in receipt of your November 14, 1985 response to our April 5, 1985 Compliance Inquiry Letter. Your response has been reviewed and resolves the apparent violation(s) of Section(s) 725.212(a) and (c).

This letter concludes activities resulting from the April 24, 1985 inspection concerning the Rockford Field Operations Section, Division of Land Pollution Control, Illinois Environmental Protection Agency.

If you have any questions, please contact Patricia M. Luedtke at 815/987-7404.

Sincerely,

Mark A. Haney, Manager
Facilities Compliance Unit
Compliance Monitoring Section
Division of Land Pollution Control
